SDA Heritage Tour Recap

Our 1800-mile journey in Southern New England was a great success. Whether it was singing Side-by-Side on Ascension Rock, having communion at William Miller's Chapel, or having church service at the very first SDA church, students experienced an immersive and memorable trip. We are so glad we were able to offer this trip at HVA and are looking forward to next year!

Service Day

November 21st will be our quarterly service day. Our goal for this upcoming service day is to help our neighbors rake leaves in their front or back yards! If you know someone who is in need of assistance, contact Pastor Elijah, so that we can help them!

RingFest 2024

Our illustrious bell ringers have departed for the annual Ringfest in Toledo, Ohio. Students will have the opportunity to learn new music, perform with other students, and participate in clinics with David Harris and Sandra Eithun. Students participating in this event will be gone from campus from October 30th - November 2nd. For more information, please contact Mr. Nino.

COLOSSIANS 3:2

Set your minds on things above, not on earthly things. Culture says value comes from stuff, but the Bible says look higher. True happiness comes from putting faith in Jesus, not temporary things.
