Alumni Spotlight Karen Minner Scholars

Mandy Corea - Karen Minner Scholar 2007

Mandy has been working at HVA since 2014 and has served as the Campus Ministries Director since 2016. In addition to her responsibilities at HVA, she continues to serve at an Adventist run orphanage in the country of Honduras and oversees the Higher Education Program for the orphanage. In May of 2020, she graduated with a master's degree in Pastoral Counseling: Parenting and Child/Adolescent Development.

Emily Mills - Karen Minner Scholar 2015

Since graduating high school, I moved to Boise, Idaho and graduated from Northwest Nazarene University in 2019 with a BA in Psychology. I was the Psychology club's vice president and was fortunate to be able to present my research on "The Relationship Between Early Trauma and Religiosity" at the Rocky Mountain Psychological Association in August of 2019.

Karen Minner Scholars-update

Allison (Calhoun) Dent
Karen Minner Scholar
2014

In August of 2019 I graduated with my Masters degree in Speech-Language Pathology from Andrews University. Five days later I married my best friend, Emory Dent, who works as a Medical Laboratory Scientist at a nearby hospital. With the possibility of Dental School in his future, we are open to where God may lead us from here. However, currently I am working for

School City of Mishawaka, about 45 minutes from our house in Berrien Springs, providing speech/language services to a case-load of 100 students. In our free time, we enjoy biking, going on walks, spending time with family/friends, cooking new recipes together, and being involved in the youth group as well as ministry opportunities of our local church.

Jennifer (Calhoun) De Trinidad, HVA class of 2010 currently lives with her husband Josias in Brownsville, TX where they both serve in the medical field. Josias is a physician practicing Internal Medicine and Jennifer is a registered nurse in the Neonatal Intensive Care Unit (NICU) where she takes care of premature and sick newborns. Her love for NICU was peaked in a special way on an HVA spring break mission trip to Honduras where she saw a hospital with some donated NICU equipment in storage because there was no one trained to use it. It was also at HVA that Jennifer developed a love for Spanish in Mrs. Bauer's classroom and on spring break mission trips to Honduras and Ecuador. In her current job, Jennifer speaks Spanish every day as she serves a low-resource Hispanic community on the border of Mexico.

She is grateful to be able to continue the legacy of Christian service exemplified by Karen Minner and looks forward to heaven where she'll get to meet Karen in person.
