ACADEMY

HIGHLIGHTER

To inspire and mentor our students to excel in all Christ calls them to do.

Starting a new chapter of discovery and achievement! HVA students are engaging in orientation, poised to explore and reach new heights.

Outdoor Vespers!

Join Pastor Elijah and the Student Association for our first vespers of the school year. As we open up our first sabbath together, we will have time to reflect and contemplate the goodness of God and seek His guidance this school year. Join us for praise, prayer, and s'mores by the fire. Outdoor Vespers will be located behind the church at the fire pit at 7:30 pm.

SA Scavenger Hunt

The first exciting event SA will host is our annual Scavenger Hunt! All students are invited to participate. Bring your most random items to the gym, and wear your class colors for a night of excitement and fun! Doors open to the gym at 8:30 pm.

Community Service Day

August 28th, will be the first quarterly service day. The doors of Highland View Academy will be closed as students and staff go out into our community and serve. We will be partnering with several organizations such as REACH Caregivers, Brookdale Senior Living, Faith Step, & Circles Washington County. We will also visit our local neighbors and help with various projects. This is a required school day, and students must wear their blue HVA t-shirts.

1 CORINTHIANS 16:14

Loving others like Jesus loved us is a big part of being a Christian. It's easy to say, but not always easy to do. Let's work together to make love and kindness a part of our daily lives!

Week of Prayer

We will be blessed to begin our fall week of prayer. Join us in prayer as our school comes together in worship. This year we are excited to have Dr. Erwin Nanasi as our morning speaker, and Matthew Loredo as our evening speaker.

Erwin Gabriel Nanasi serves as Minister of Music for the Spencerville Seventh-Day Adventist Church in Maryland. He was educated in Piano Performance at the State University of Music and Performing Arts Stuttgart (Germany), in Orchestration and Arranging at Berklee College of Music (MA), in Theological Studies at Weimar University (CA), and in Leadership at Andrews University (MI). He received his Doctorate in Worship Studies at Liberty University (VA). He has recorded over 700 uniquely arranged piano accompaniments, available on the downloadable KnowHymn app. In his spare time, Erwin designs Bible games

such as the Bibliology® experience. He is happily married and has two children.

Matthew Loredo grew up near Santa Cruz California, about 1 hour outside of San Francisco, on an animal farm. His experience with caring for animals and his family's interest in healthcare ultimately led him to study nursing at Weimar University. Since graduating in 2019 he's worked as an ICU nurse in California, and now in Maryland. Outside of nursing, he's had an opportunity to be a part of two small documentaries, first in college and then in 2023, focused on health and technology overuse, which led him to live for an entire year without a computer or smartphone. In his free time, he enjoys camping, hiking, fly fishing, or baking sourdough bread.

We look forward to the blessings God has in store for our school during the Week of Prayer. Students will meet in the morning during school and all are welcome to join for our evening meetings at 7:30 pm.
